8 of 8 review helpful Did Wilbur Smith Write This Book By Red Reader I enjoyed the book however as opposed to the 21 other books I have of Wilbur Smith s writing and thoroughly enjoyed after reading this book it is almost like Wilbur had nothing to do with its writing It was like the co author wrote the entire book There were too many sexual segments with too much description leaving nothing to the imagination very Former operative Major Hector Cross must face off against a pair of lethal enemies and prevent an international catastrophe in this gripping contemporary adventure thriller mdash perfect for fans of Clive Cussler Ted Bell and Vince Flynn mdash from the legendary worldwide bestselling author of Desert God and Golden Lion One of the most formidable fighters in the world ex SAS warrior and former private security consultant Major Hector Cross ldquo Wilbur Smith is one of the legendary storytellers of our time and Predator is Smith at the top of his game A smart sophisticated thriller that will suck you into a high stakes world of winner take all rdquo NELSON DEMILLE 1 New York Times
