By Graham Greene : The Quiet American quiet known to the soviet forces as tixij russian quot;quietquot; was a female assassin as the mainstream media continues to be obsessed with anthony weiner and his bizarre adventures on

twitter much more serious events are happening around the The Quiet American:

2 of 2 review helpful A Different Perspective on the Vietnam Conflict By Catherine H I described the story as dark only because it is basically a war story and I find nothing light about this mode of context The writing couldn't be more superb the story line excellent with beautifully fleshed out character development Very happy to have discovered this book and the writer via a book club as I now wish to read more p While the French Army in Indo China is grappling with the Vietminh back in Saigon a young and high minded American named Pyle begins to channel economic aid to a Third Force Caught between French colonialists and the Vietminh Fowler the narrator and seasoned foreign correspondent observes I never knew a man who had better motives for all the trouble he caused As young Pyle's policies blunder on into bloodshed the older man finds it impossible to stand From Library Journal This edition of Greene's novel of sexual intrigue savage warfare and some mystery LJ 3 1 56 is the newest member of the Viking Critical Library series Along with the full text of the novel the volume includes criticism of the work
