By Stephen Crane : The Red Badge of Courage and Other Stories (Oxford World's Classics) the book of great

books a guide to 100 world classics by book editor w john campbell provides explanations and summaries for 100 of the worlds best books pgt; bibliomania free online literature and study guides bibliomania brings you the internets best collection of classic texts and study resources The Red Badge of Courage and Other Stories (Oxford World's Classics):

1 of 1 review helpful Crane s Stories By FicktionPhotography Stephen Crane s life was abysmally cut short by the age of 28 What stories he did get out into the world were all rather short and focused on child like if not in fact child characters His most popular story the one that put him on the map is also his most celebrated work The Red Badge of Courage is at the forefront of this small collection of stories an Oxford offers the most generously annotated edition of The Red Badge of Courage 1895 a vivid psychological account of a young man s experience fighting in the American Civil War based on Crane s reading of popular descriptions of battle This volume also includes the short stories The Open Boat 1898 The Monster 1899 and The Blue Hotel The editors explore Crane s work from a fresh critical perspective focusing on his role as an experimental writer About the Author Fiona Robertson has a position in the Department of English Studies at the University of Durham
