By John Birmingham : Designated Targets (Axis of Time) although australia was remote from the main battlefronts there was considerable axis naval activity in australian waters during the second world war the role of world war ii in the history of the united states of america Designated Targets (Axis of Time):

1 of 1 review helpful Great Read By Artist formerly known as Customer I m not going to comment on the story itself or tyr to give a plot synopsis You need to read for yourself to make a decision But I highly recommend this book and the entire trilogy This entire series is compelling and a great read As a fan of alternate history the premise of projection back in time is not new One of my favorite movie It rsquo s World War II and the A bomb is here to stay The only question Who rsquo s going to drop it first The Battle of Midway takes on a whole new dimension with the sudden appearance of a U S led naval task force from the twenty first century the result of a botched military experiment State of the art warships are scattered across the Pacific armed to the teeth with the latest instruments of mass destruction Nuclear warheads rocket propell From Publishers Weekly In Birmingham s worthy sequel to Weapons of Choice 2004 the world of the 1940s continues to struggle with the ramifications of the Transition the intrusion into the middle of WWII by a 21st century naval task force fighting the
