and the Dragon:

1 of 1 review helpful Reread of a great Clancy Novel By William Williams This was my second reading of this novel I read the hardcover when it first came out I know I am old and my memory is not what it used to be but I swear there are minor differences in the hardcover and this online edition 0 of 0 review helpful A tepid book By husband roger Wish that Tom Clancy Time and again Tom Clancy s novels have been praised not only for their big scale drama and propulsive narrative drive but for their cutting edge prescience in predicting future events In The Bear and the Dragon the future is very near at hand indeed Newly elected in his own right Jack Ryan has found that being President has gotten no easier domestic pitfalls await him at every turn there s a revolution in Liberia the Asian economy is going Power is delightful and absolute power should be absolutely delightful but not when you re the most powerful man on earth and the place is ticking like a time bomb Jack Ryan CIA warrior turned U S president is the man in the hot seat and in this va
