about not forgetting it is a necessary collection Fire and Forget: Short Stories from the Long War:

1 of 1 review helpful Good book very insightful about the effects of war on our veterans By Kindle Customer The book is painful to read at times but the message is clear Our men and women having served in this theatre of conflict are never the same The authors of the contributing stories could not paint a more powerful or disturbing picture of what our men and women face on their return home This is a book that had Fire and Forget includes the title story from Redeployment by Phil Klay 2014 National Book Award Winner in Fiction These stories aren't pretty and they aren't for the faint of heart They are realistic haunting and shocking And they are all unforgettable Television reports movies newspapers and blogs about the wars in Iraq and Afghanistan have offered images of the fighting there But this collection offers voices mdash powerful voices t From Booklist While the grand noble causes of the past wars continue to capture our collective imaginations the ongoing conflicts in Iraq and Afghanistan have been treated with greater ambivalence Fire and Forg
