anyway Gettysburg: A Novel of the Civil War:

0 of 0 review helpful One of the best Civil War novels out there By Customer Both Gingrich and Forstchen have done their homework producing a very plausible historically accurate novel of what Lee's Summer 1863 campaign might have looked like had things been just a bit different at Gettysburg I say historically accurate because Federal plans called for a retreat to a Rock Creek line if the Confederates had forced it The Civil War is the American Iliad Lincoln Stonewall Jackson Grant and Lee still stand as heroic ideals as stirring to our national memory as were the legendary Achilles and Hector to the world of the ancient Greeks Within the story of our Iliad one battle stands forth above all others Gettysburg Millions visit Gettysburg each year to walk the fields and hills where Joshua Chamberlain made his legendary stand and Pickett went down to a defeat which doom From Publishers Weekly This well executed alternative history imagines a Confederate victory at Gettysburg Former House speaker Gingrich Contract with America and historical fiction author Forstchen Down to the Sea create a plausible scenario Robert E Lee
