#### Series):

3 of 3 review helpful I greatly enjoyed reading the first volume in this series see my By Raquae I greatly enjoyed reading the first volume in this series see my review I thought the second volume was tedious and it bored me So I was hesitant to acquire this third volume I rsquo m glad I did ldquo Attila The Judgment rdquo was as action filled as the first volume The author starts off with over one hundr AD 449 the future of the world hangs in the balance The once mighty Roman Empire lies open and vulnerable to attack from a huge Hunnish army that has gathered on the banks of the Danube and is poised and ready to strike but only one man has seen the danger Master General Aetius knows Attila still thirsts for blood and destruction but he is helpless to stop the the pending onslaught For Atilla plans to march on the mighty city of Rome the very heart of From Publishers Weekly Napier wraps up his Attila trilogy on an exciting and gory note picking up where Attila The Gathering of the Storm left off with Attila s invasion of the Roman empire in 449 C E as he begins a ruthless campaign of slaughter in revenge
