By Brian McClellan : The Autumn Republic (The Powder Mage Trilogy) the ability to manipulate metal variation of earth manipulation not to be confused with the internets 1 comprehensive and detailed recommendation list of the top fantasy books ever written now updated for 2016 The Autumn Republic (The Powder Mage Trilogy):

3 of 3 review helpful Back to some of the weaker writing of the first book By Gibble some spoilers in here so be warned I ll try to temper them Brian s first book in this series was interesting but a bit of a slog to get through Too long too many characters didn t tie up a lot of things that I felt he should have etc I literally forced my way through the book because I didn t want to give up even th IN A RICH DISTINCTIVE WORLD THAT MIXES MAGIC WITH TECHNOLOGY WHO COULD STAND AGAINST MAGES THAT CONTROL GUNPOWDER AND BULLETS A slam bang conclusion to an outstanding trilogy Kirkus on The Autumn Republic Promise of Blood is a hugely promising debut Guns swords and magic together What more could you want How about tense action
