1 of 1 review helpful The best qualities of humanism are on display against a plethora By Ed Abbey A very human and team spirited story of a group of soldiers who succeed in saving each other The best qualities of humanism are on display against a plethora of evil forces that dominate the world While evil will always exist in both sides of the Middle East and IMHO will never be conquered a few extremely dedicated pat The North Korean government is days away from realizing its nuclear ambitions and only the heroes of SEAL Team Six can stop it The authors gives nuance and depth to Crocker s character The conclusion is satisfying with Crocker going entertainingly superhuman For the Tom Clancy Dale Brown genre fan Mann and Pezzullo provide enough excitement to while away a weekend
