2 of 2 review helpful Getting a Bit Frustrated By Jeffrey Swystun D J Molles first book reminded me of Jerry Ahern s Cold War pulp classic series The Survivalist The Remaining established a great premise of a network of SpecOps guys

who man underground bunkers in the event a catastrophic event were to rip America apart That conjured up images of air force officers manning missile silos One of these operatives is Capt To Captain Lee Harden the mission to rescue his countrymen and rebuild the nation seems like a distant memory Wounded and weaponless he has stumbled upon a group of survivors who may be his last hope But a tragedy in the group causes a deep rift and forces him into action About the Author D J Molles has two published short stories Darkness and Survive which won a short fiction contest through Writer s Digest The Remaining series The Remaining The Remaining Aftermath The Remaining Refugees
