2 of 2 review helpful Great book I loved this series and cannot wait By Jarrod T Great book I loved this series and cannot wait for another one to come out If you enjoyed this series I also recommend the Marius Mules series by SJA Turney By the way someone was comparing this author to Simon Scarrow and this author Douglas Jackson blows him out of the water 0 of 0 review helpful Rom In the follow up to Defender of Rome Valerius Verrens is sent on a mission by nbsp the deranged Nero nbsp against a man he greatly admiresEmperor Nero s grip on power is weakening In every shadow he sees an enemy and like a cornered animal he lashes out at every perceived threat His paranoia settles on the figure of Gnaeus Domitius Corbulo Rome s greatest general who leads the imperial legions in the East Is Corbulo preparing to march again nbsp bull If I were Conn Iggulden or Simon Scarrow I d be rather worried by the new kid on the block Scotsman About the Author Douglas Jackson is the author of Caligula and Claudius
