2 of 2 review helpful The USMC before Pearl Harbor By Roger J Buffington This is a terrific book about the US Marine Corps prior to Pearl Harbor The protagonist is a US Marine corporal stationed in Shanghai China He is an exceptional man in a humble position The characterizations in this novel are first rate and the storyline moves at a deliberate and fast pace serving to make this novel a true page turner From Shanghai to Wake Island the Corps was America's first line of defense as the winds of war exploded into the devastating surprise attack on Pearl Harbor Now the bestselling author of the acclaimed BROTHERHOOD OF WAR saga brings to life the men of the Marine Corps their loves and their loyalties as they steeled themselves for battle and prepared to make the ultimate sacrifice
