By W.E.B. Griffin : The Majors (Brotherhood of War) the brotherhood of war is a series of novels written by w e b griffin book iii the majors french indochina algeria conus 1954 1958 book iv abebooks the majors brotherhood of war 9780515089950 by web griffin and a great selection of similar new used and collectible books available now at The Majors (Brotherhood of War):

1 of 1 review helpful With even less combat than Griffin s usual it s more about bureaucratic combat By Dan Berger For military novels Griffin s books don t have much action and this one has less than most It might be said OK I m saying it that Griffin prefers writing about and writes better about bureaucratic combat than about real warfare He writes the latter well when he does it but he doesn t do it very mu Dien Bien Phu Saigon Hanoi In 1954 they were only exotic names from a French campaign halfway around the world But now American fighting men proven on the bloody beaches of Normandy and in the minefields of Korea are summoned to help beat back the guerilla forces of Ho Chi Minh To some the secret war in Indochina was the depth of folly To others like the Majors it pointed to the heights of glory About the Author W E B Griffin nbsp is the author of seven bestselling series The Corps Brotherhood of War Badge of Honor Men at War Honor Bound Presidential Agent and now Clandestine Operations He lives in Fairhope Alabama and Buenos Aires
