classics The Hornet's Nest: A Novel of the Revolutionary War:

7 of 7 review helpful Very dry but full of information By elderberryjam Jimmy Carter did a lot of research for this novel I read it completely through once about 15 years ago I have recently attempted to read it again but it is difficult to stay interested the second time around I seem to recall that problem the first time That said I learned an awfully lot from this book that I did not learn in history class Honest The first work of fiction by a President of the United States mdash a sweeping novel of the American South and the War of Independence In his ambitious and deeply rewarding novel Jimmy Carter brings to life the Revolutionary War as it was fought in the Deep South it is a saga that will change the way we think about the conflict He reminds us that much of the fight for independence took place in that region and that it was a struggle of both great and small bat From Booklist Carter continues to have one of the most productive and varied post political careers of any former U S president A prodigious writer with 16 works of nonfiction to his credit Carter turns to fict
