**By Rex Miller : Profane Men** greeting cards are boring the entire billion dollar industry is built on fake nevermind were not going to get into that argument suffice it to say that profanity is socially offensive language which may also

be called bad language strong language offensive language coarse language foul language bad words Profane Men:

0 of 0 review helpful Chaingang Bunkowski the serial killer protagonist for lack of a better word of some of Miller's other novels is replaced by George Sheridan A little known Vietnam novel of a special ops unit on a mission to destroy a pirate radio station that's broadcasting coded messages Of course the mission is not what any of the soldiers have been told it is Miller recycles a few characters in The Profane Men brings the dark creative visionary energy of Slob Chaingang and other works by Rex Miller to a story set in Vietnam during the late 1960s There have been many tales written about that troubled and troubling era and Miller's popular fiction work is clearly informed by personal experience relating to the war In fact this novel is filled with apparently autobiographical touches the central narrator character has a developing career in broadcast radio
