4 of 4 review helpful My what a big ribbon By Just Ben This edition is very nice Nice not expensive taste kind of nice but just nice The cover and binding are done as cheaply as humanly possible The gold gilding is like a gold sharpie marker type quality The signatures are way too big for a book of this size There should only be 1 signature every 10 pages 20 pages max The book is the same size as a family bible T John Bunyan rsquo s famous work The Pilgrim rsquo s Progress is next to the Bible the most popular book ever published It has been widely distributed the world over since originally published in the 17th century But many aren rsquo t familiar with the story in it rsquo s original form or it rsquo s famous author and his life story Master Books is now making available this exquisite reproduction of this 125 year old historical compilation manuscript in it rsquo s About the Author John Bunyan 1628 1688 was born in Elstow England and enjoyed decades of success as a writer and preacher He was imprisoned more than a decade for preaching without a license and it was in prison that he began and finished Pilgrim rsquo
