1 of 1 review helpful of 18th 19th Century warfare involving the British Empire will love it Mr By Desdecardo I believe I ve read all the Bolitho Novels and can safely say that any fan of 18th 19th Century warfare involving the British Empire will love it Mr Kent s work is fast paced nautical warfare fiction with just a hint of Jane Austen His knowledge of the manners mores and history of the period is excellent The year is 1793 and England is once again at war For Richard Bolitho the renewal of hostilities with France means a fresh command and the chance for action after months of inactivity From Library Journal These are the four most recent titles in Kent s ongoing adventures of 18th century fighting British sailor Richard Bolitho Good fun for fans of nautical fiction Copyright 1999 Reed Business Information Inc
