0 of 0 review helpful Better than Hornblower By Rhino I ve read all 21 volumes of this series This whole series is excellent well written nautically and and historically excellent I think it is better than the Hornblower books I read one that was recommended to me and immediately found an error in one of the battle maneuvers You will want to get a copy of A Sea of Words which is essentially an illustrated dicti February 1806 Vice Admiral Sir Richard Bolitho carries the news of Trafalgar to southern Africa where he is to aid British ground forces in any way he can to retake Cape Town from the Dutch Impatient to be home Bolitho decides yet again that the boldest measures are best and proves to the army that brave men do not die in vain
