5 of 5 review helpful As good as the last two Read also The Black Ship by Pope By Conrad Review of the Ramage

series of novels Don't read this until you have read the first book Ramage and Ramage and the Drumbeat by Dudley Pope Also included below a partial review of The Black Ship also by Pope about a factual mutiny Book 1 The lieutenant is summoned by the Admiralty and given command of the brig Triton But like the rest of the Navy Triton's crew has mutinied Sympathizing with some of their complaints Ramage also knows that if he fails to deliver three sealed dispatches to admirals off Brest and Cadiz and in the Caribbean he will become a convenient scapegoat
