0 of 0 review helpful Better than Hornblower By Rhino I ve read all 21 volumes of this series This whole series is excellent well written nautically and and historically excellent I think it is better than the Hornblower books I read one

that was recommended to me and immediately found an error in one of the battle maneuvers You will want to get a copy of A Sea of Words which is essentially an illustrated dicti In September 1804 as England stands alone against France and the fleets of Spain Vice Admiral Richard Bolitho hoists his flag above the veteran Hyperion and sets sail with a new squadron for the Caribbean His orders are to plan and execute a daring dawn raid on the Spanish Main
