0 of 0 review helpful A different perspective of the war from the common soldiers view of life in the army By jeff

Steven Kirk offers us a different perspective of a soldier's reason to fight For the love of country and the love of a girl His accounts of the fighting offer insight to a soldier's thoughts and fear This book is a recommended read for all civil war buffs because of the way it is written from the common soldier's perspective Firman Kirk a young lumberman from Pennsylvania leaves the relative safety of his father's business to join the Union Army and participate in the greatest conflict this country has known Before he departs he meets a young woman with whom he starts an intense correspondence that sees him through the darkest days of the war and gives him hope in distant battlefields like Antietam Fredericksburg and Gettysburg Experience what it was like as he recovers from a wound a
