6 of 6 review helpful A Truly Latin American Story By A Customer I found Odisea del Norte to be an exceptionally well written and interesting novel Starting in the present and using a series of flashbacks Bencastro tells the story of Calixto a man from El Salvador who is trapped by circumstances into crossing illegally into the United States The book is filled with humor and pathos along with exciting action seq Here is the powerful original Spanish language version of Mario Bencastro s novel published in English by Arte P uacute blico Press as Odyssey to the North A heartfelt story of political oppression and exile credible and quite moving Kirkus s Unpretentious and repertorial Bencastro s tone is welcomely understated and his message is all more powerful for it Publishers Weekly
