1 of 1 review helpful What happened to A Kent By angele I have read all 26 Bolitho novels up through this one Man of War is the last I will read This series really died at about book 19 I am almost convinced the author is not the same or some life event happened that seriously effected the author Exciting sea battles and adventure suddenly changed to dull melancholy whining for the past and longing for lovers Th In 1817 every harbor and estuary in Antigua is filled

with ghostly ships superfluous in the aftermath of war In this uneasy peace Adam Bolitho is offered the 74 gun Athena a notoriously unlucky ship and as flag captain to Vice Admiral Sir Graham Bethune he once more follows his destiny to the Caribbean
