By Keith Korman : Eden: The Animals Parable t he bible states that the creation of the entire cosmos universe took place in six days it is clear from the context that these were literal days not figurative dlts childrens bible stories the story of adam and eve in the garden of eden Eden: The Animals Parable:

0 of 0 review helpful The Special Bond Between Two Beautiful Souls By COTEACH The slogan "I hope one day to become the person my dog thinks I am" kept running through my mind as I read this great novel Dogs are better to us than we usually deserve So it is heart warming to read about a dog Eden who has the kind of master that most dogs deserve Jesus The premise is karmically correct and intriguing "Ask the animals and they will teach you" — Job 12:7 Experience the Gospels in a way that you never imagined In this beautifully inspired retelling of the Gospels we see Jesus and his disciples in the Holy Land through the eyes of the animals — especially his intrepid and loyal dog Eden With a wise old donkey innocent lambs and legions of curious field mice — the animals follow their master "Eden is a lovely fulfilling and redemptive story that brings joy and elation to the heart Distinguish yourself by buying it now" — Winston Groom author of Forrest Gump
