By Aer-ki Jyr : Star Force: The Admiral admiral was a senior command rank in many navies including those of the galactic republic the navies armies air forces; commissioned and non commissioned officers; admiral of the fleet

general of the army or field marshal marshal of the air force admiral Star Force: The Admiral:

3 of 3 review helpful Loved it By Grant Wheeler Loved this book It s great to get some more of the big picture and in bulk too of the most important stuff happening in the Star Force universe It also follows my favorite character Paul for the most part as well Can t wait to see what comes next with so many different points still to cover some from different view points but a lot are just as easily covered from the Beginning his 2000 year life as a teenage founder of the Star Force military Paul 024 has been on the front lines throughout the growth of Earth s planetary defense force from inception through both the Skarron and lizard wars Then when the V kit no sat returned and began annihilating Earth s interstellar empire starting with its capitol Paul was there fighting a stalling retreat while Star Force evacuated as many people as possible losing system after system as the
