2 of 2 review helpful Fascinating read By Dianne Fascinating book I so hated to see it end I buy audio books so I can listen to them while I exercise I noticed the second book that he's come out with is not on audio bummer Hopefully soon it will come out on audio tape I would highly recommend this book it's eye opening and I really think it reflects what's going to happen as we get closer to end times The book held my breath This is not the most up to date edition of this book and it does not have a complete edit If you want the most up to date edition please search for Apocalypse Coming A Survival Novel The Tears of Ephraim It is currently on sale for 13.95 along side our Kindle version and the Audible version See below
