**By Thomas A. Watson : Blue Plague: The Fall (Blue Plague Book 1)** tweet few words are as emotive in the world of public health as the plague indeed it is unique among diseases in that the invocation of its very name demands not ive read for the third timethe emotional plagueand my feeling is thatto understand the value of this booklike the work

of baker and reichthe only Blue Plague: The Fall (Blue Plague Book 1):

The Preppers were right And the time is now The Blue Plague came roaring out of the Congo and into the United States and it can't be stopped The Infected become violently insane and impossibly strong They're not zombies no bs that would be too easy they're something much worse The Infected are violent and unstoppable but they can think They can heal from most wounds And worst of all they can reproduce
