Bayonets, Balloons & Ironclads: Britain and France Take Sides with the South (Britannia's First Trilogy):

4 of 4 review helpful A good but not great finish By Kindle Customerjames 3 A fun and exciting read but a less than satisfactory ending I find it hard to believe that after all the hard fighting and losses that the two sides would end up at status quo ante A different political ending would have been better Also I thought that A P Hill and John B Gordon were dead but there they are again While This fascinating third volume in the Britannia's First series will have you pondering how easily history could have been swayed differently Peter G Tsouras presents the third installment in his Britannia's First alternate history series The winter of 1863 had rung down a white curtain on the desperate struggle for North America The United States and Great Britain had fought each other to a bitter draw On both sides of the Atlantic the for About the Author Peter G Tsouras is an historian who retired from the Defense Intelligence Agency where he was a senior intelligence officer He also served with the 1st Battalion 64th Armor in Germany Tsouras is the author or editor of twenty
