By Nevil Shute : Landfall (Valancourt 20th Century Classics) Landfall (Valancourt 20th Century Classics):

2 of 2 review helpful Shute me again By dickens Shute could describe scrubbing out a tub and make you wish you were there Each page pulls you to the next and after a while you sit back and think what have I actually been reading here You realize that much of it is ordinary details of someone s day and you loved it Then he ramps up the action and you feel this book is going to end much too soon Although there is t Grips the reader The story has pace and excitement unforced sentiment and wholly unaffected gaiety Times Literary Supplement He knows how to build a story mounting page by page in suspense a thriller if ever there was one and a classic thriller at that New York Times Admirably written full of drama and good humour Evening Standard As wartime assignments go Jerry Chambers doesn t have it t A story that grips the reader with its quiet veracity its truth to character its understanding of the young man of the R A F and the nature of their job of the so much owing so many to so few The story has pace and excitement unforced sentiment and wholl
