By Zakhar Prilepin : Sankya a brief history of jyotish the history of vedic astrology is very long intricate and full of controversy for now we give this concise over view if krsna wills it Sankya:

1 of 1 review helpful Prilepin s first novel deserves all the praise By HKbabylon I hesitated to read this novel in English because many Russian friends had warned me it would be difficult to convey the spirit of this book in a foreign language Well I can t compare the translation to the original but i am glad i overcame my hesitation Sankya is the best novel i have read in a long time Max respect to the translators f Sasha Sankya rdquo Tishin and his friends are part of a generation stuck between eras They don rsquo t remember the Soviet Union but they also don rsquo t believe in the promise of opportunity for all in the corrupt capitalistic new Russia They belong to an extremist group that wants to build a better Russia by tearing down the existing one Sasha alternately thoughtful and naive violent and tender dispassionate and romantic hopeful and hopeless is If you want to feel the real raw nerve of modern Russian life what you need isn rsquo t Anna Karenina what you need is Sankya From the Foreword to the English edition of Sankya by Alexey Navalny probably the most important write
